Sir:

In response to the Notification of Non-Compliance with the requirements of 37 CFR 1.192(c) please find enclosed Applicant's revised Supplemental Brief under 37 CFR 1.192.

In the revised brief, the status of claims has been amended to refer to claims 14 to 16 and to indicate that the amendment after final to claims 14 to 16 has now been entered by the Examiner. Similarly, in the status of amendments, the amendment after final filed May 16, 2003 is now referred to as having been entered with respect to claims 14 to 16. This completes the status of all the claims pending or cancelled, the identification of the claims appealed, and the correct statement of the status of an amendment filed subsequent to the final rejection, in compliance with point A and B raised in the Notice of Non-Compliance.

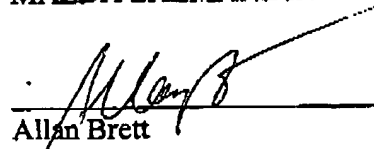

The "issues" section of the Appeal Brief contains a concise statement of the issues presented for review.

The arguments section has been amended to refer to claims 14 to 16 which stand and fall together with claim 1.

Respectfully submitted,

MAZDA SALMANIAN
